

# Deutsche Gesellschaft der Humboldtianer

Regionalgruppe Göttingen/Kassel

June 21, 2019

Dear Humboldtians,

our next excursion will introduce us to the world cultural heritage in Goslar. Together with the regional Humboldt groups of Göttingen/Kassel and Halle/Leipzig, we would like to invite you for a visit of the city and for a guided tour on Saturday, July 13, 2019.

We intend to travel to Goslar by train and to get together there at noon. After lunch, we will enjoy a guided city tour including a visit of the Imperial town and palace (Kaiserpfalz). We will experience several highlights of Goslar. Subsequently, we can stroll through town on our own and get some coffee or snack before returning.

08:30	Meeting in Kassel Hbf main station (DB information), 08:46 departure to Göttingen
09:45	Meeting in Göttingen Hbf main station (DB information), 10:05 departure to Goslar

If you and/or your partner would like to join our excursion, please register before Friday, July 5, 2019 by e-mail to [marcel.leutenegger@mpibpc.mpg.de](mailto:marcel.leutenegger@mpibpc.mpg.de). In case of overbooking, members of the regional Humboldt groups and visiting scientists will be granted precedence.

Upon binding registration, please note your full name; the meeting place you will join our group; and whether you will need a train ticket. If accompanied, please send us this information for your partner as well. You will get an acknowledgment of your registration and travel information on July 10, 2019.

We are looking forward to meet you.

Sincerely yours,
